Waterford Music presents concerts in Waterford city funded by membership subscriptions, ticket sales, sponsors and grants from public and private bodies including the Arts Council and Waterford City and County Council. We retain financial records to be accountable to the many public and private bodies and individuals that support our programmes. We also communicate directly with members and non-members to publicise our and other similar events.

This data includes membership and contact records consisting of names, addresses, email address and phone numbers and for members also details of subscriptions paid. This information is provided by you when you complete membership forms or subscribe to our mailing lists. Access to this information is available from secretary@waterford-music.org. It is retained for 5 years.
